Fees for all visits to the office are due and payable at the time of service. There are additional fees for contact lens evaluation. All professional fees are for our time and professional opinion and are not refundable. The success of any given prescription is not guaranteed and the doctor is not financially responsible for remaking glasses or contact lenses. Therefore, make sure that the dispensing optical will remake glasses at no charge if needed. In any case the patient is not completely satisfied with the optical order, the optical will refund 70% from the total order amount (30% re-stocking fee) only if the refund is requested within 3 months of date of order. I understand that I will need to pick up and paid (if any) balances in full for glasses within 3 months of order, if not I understand the payment made will be lost and I would be eligible for a partial credit for future orders. I understand that I am financially responsible for charges not covered by my insurance and for charges incurred by my dependents. I hereby authorize Scope Vision Care to release any information necessary to process my insurance claim. I also certify that I have read and understand the patient information sheet and the questions have been answered to the best of my knowledge.
HIPAA: I acknowledge that I have been presented with the "NOTICE OF PRIVACY PRACTICES POLICY" of Scope Vision Care. I agree to allow Scope Vision Care doctors and employees to call my telephone numbers and leave messages and to contact me by mail or email. The message and correspondence may include identification indicating that they are from Scope Vision Care, Dr. German Saavedra, or an individual employee. The law requires that Scope Vision Care make every effort to inform you of your rights related to your personal health information. By my signing below, I acknowledge it:

Office Policy Disclosure

Welcome and thank you for choosing Scope Vision Care for your eye care. We are dedicated to providing the highest quality eye care in an efficient, caring and comfortable environment. So that we may help you avoid any frustration or misunderstanding regarding our office policies, we have prepared the following summary for you. We are confident you will experience eye care excellence with our office.

The **Optomap Retinal Exam** (Retina analysis) is a 3D scan that assists the doctor to assess your overall retinal health throughout the surface and a cross-section analysis of the retinal layers. This technology is fast, non-invasive and very accurate; it is also the most advanced diagnostics in the world to pinpoint serious (and not so serious) eye conditions without the inconvenient use of mydriatics (dilating topical meds).

The Optomap Retinal Exam is a very important part of the exam and it is a non- covered service with insurance plans. We have no control over what the different insurance plans decide to cover, although we certainly feel very strongly about our commitment to you, our patient. This is why we go to great lengths to ensure the most comprehensive, precise and detailed eye examination in the country.
If unable to have the Optomap you will be asked to schedule an appointment so the doctor is able to conduct a full and thorough exam.

Optomap: $40 ☐ ACCEPT ☐ DECLINE

INSURANCE:
Filing of an insurance claim is a courtesy we gladly extend to our patients. ***WE MUST EMPHASIZE*** that our relationship is with you, our patient, ***NOT THE INSURANCE COMPANY.*** Our patients, who are fortunate enough to have insurance to help with their care, will be asked to pay their estimated portion at the time of service. We make every effort to accurately quote what we anticipate your insurance will cover. This is ***ONLY AN ESTIMATE***, and we cannot be responsible for what the insurance finally covers. It is your responsibility to know the limitations of your policy. Your attention to these policies will go far in helping us to keep cost reasonable for providing you with the very best eye care.

The success of any given prescription is not guaranteed and the doctor is not financially responsible for remaking glasses or contact lenses. Therefore, make sure that the dispensing optical will remake glasses at no charge if needed. In any case the patient is not completely satisfied with the optical order, the optical will refund 70% from the total order amount (30% re-stocking fee) only if the refund is requested within 3 months of date of order. I understand that I am financially responsible for charges not covered by my insurance and for charges incurred by my dependents. I hereby authorize Scope Vision Care to release any information necessary to process my insurance claim. I also certify that I have read and understand the patient information sheet and the questions have been answered to the best of my knowledge.

I have read the above policies, received a copy of them, and agree to abide by them.
